If a permit holder that operates satellite facilities does not meet the required minimum number of live racing days, the permit holder may not operate the permit holder's satellite facilities during the following year.  - 21 provided at the proposed satellite facility.
 - 22 (G) Any other factors that the commission considers important
 - 23 or relevant to its decision.
- 24 (5) The commission may not issue a license for a satellite facility
- 25 to be located in a county unless IC 4-31-4 has been satisfied.
- 26 **(6) Not more than one (1) license may be issued to each permit**

(j) The total and aggregate liability of the surety on a bond is limited to the amount specified in the bond and the continuous nature of the bond may in no event be construed as allowing the liability of the surety under a bond to accumulate for each successive approval period

1 during which the bond is in force.

2 (k) A bond filed under this section is released sixty (60) days after:

3 (1) the time has run under subsection (h); and
